

## **LMI Aerospace Announces Conference Call to Discuss 2010 Fourth-Quarter and Year-End Results**

ST. LOUIS, March 2, 2011 (GLOBE NEWSWIRE) -- LMI Aerospace, Inc. (Nasdaq:LMIA), a leading provider of design engineering services, structural components, assemblies and kits to the aerospace, defense and technology industries, today announced that it will host a conference call to discuss the company's fourth-quarter and 2010 year-end results.

The conference call will be Friday, March 11, 2011, at 9:00 A.M., CST, and will be hosted by Ronald S. Saks, the company's Chief Executive Officer and Lawrence E. Dickinson, Chief Financial Officer. LMI plans to release the company's fourth quarter and 2010 year-end results just prior to market open on Friday, March 11, 2011.

To participate in the call, please dial 866-307-3343 approximately five minutes before the conference call time stated above. A live webcast of the call can be accessed directly from LMI Aerospace website at <http://ir.lmiaerospace.com/events.cfm> and clicking on the appropriate link. A recording of the call will be available on the LMI web site upon completion of the call.

Date: March 11, 2011

Time: 9:00 AM CST

LMI Aerospace, Inc. is a leading provider of design engineering services, structural components, assemblies and kits to the aerospace, defense and technology industries. Through its Aerostructures segment, the company primarily fabricates machines, finishes and integrates formed, close-tolerance aluminum and specialty alloy components and sheet-metal products, for large commercial, corporate and military aircraft. It manufactures more than 30,000 products for integration into a variety of aircraft platforms manufactured by leading original equipment manufacturers and Tier 1 aerospace suppliers. Through its Engineering Services segment, operated by its D3 Technologies, Inc. subsidiary, the company provides a complete range of design, engineering and program management services, supporting aircraft lifecycles from conceptual design, analysis and certification through production support, fleet support and service-life extensions.
